ARLINGTON, VIRGINIA 22204-4502

IN REPLY

REFER TO: Procurement and Logistics (PLD)/Defense Information
Technology Contracting Organization (DITCO)

15 April 2005

SUBJECT: DITCO Notice to Contractors (NTC) 04-05, Uploading Proposals/Documents
for "Other Telecommunications & Computer Technology Requirements,"
DITCO Contracting Opportunities Web Site

1. Instructions for vendors to upload proposals/documents for "Other Telecommunications & Computer Technology Requirements" posted on the DITCO Contracting Opportunities Web Site (<https://www.ditco.disa.mil/dcop/Public/ASP/dcop.asp>) are at Enclosure 1. These instructions also include procedures to follow if you would like to join and view a published list of vendors interested in a particular solicitation. This is useful for vendors who are interested in teaming.
2. If you have problems uploading a file, please call DITCO's Customer Service Center at 618-229-9333.

1 Enclosure a/s

A handwritten signature in blue ink, reading "Evelyn M. DePalma".

EVELYN M. DEPALMA
Director, Procurement and Logistics/
Chief, Defense Information Technology
Contracting Organization

INSTRUCTIONS FOR UPLOADING PROPOSALS AND DOCUMENTS FOR OTHER TELECOMMUNICATIONS & COMPUTER TECHNOLOGY REQUIREMENTS

Vendors wanting to upload proposals/documents from "Other Telecommunications & Computer Technology Opportunities" need to be a registered vendor. If you are not registered, click "[Register Here!](#)" under "New Users" on the Contracting Opportunities Home Page (www.ditco.disa.mil/dcop). You will not have to re-register for every requirement that you upload.

To upload a proposal/document, you begin with any of these actions:

- (1) Click on the title of the requirement or number under the "Submit Proposals for:". The next page will prompt you to log in. You will need your DITCO Contracting Opportunities userid and password.

or

- (2) Under "All Opportunities, RFP's, RFQ's, TR's, etc.", click on "All Areas" under "Computer Technology Opportunities. This page will reflect detailed information regarding the requirement. Click on the "Upload Proposal" button. This will take you to the "Contracting Opportunities" Login page. You will need your DITCO Contracting Opportunities userid and password.

or

- (3) Click on the "Upload Proposal" button from the Other Telecommunications & Computer Technology Requirements page (<https://www.ditco.disa.mil/dcop/public/asp/requirements.asp>). The next page will prompt you to log in. You will need your DITCO Contracting Opportunities userid and password.

NOTE: No "Upload Proposal" button will be available if the solicitation does not specify proposal upload via the web or the proposal closing date has past.

Upload Instructions

You are now ready to upload a proposal or documents. If you have multiple files, you may want to consolidate them into one file (e.g. a .zip file). However, you can upload each file separately. DITCO requests that each uploaded file be 1 megabyte or less.

Enter the drive, path, and file name of the file to be uploaded. (For example: c:\proposals\proposal.zip.) Or select browse and choose the file name from the "Choose file" dialog that appears, and click "Open". Then click "Upload File".

After successfully uploading the file, you will go to a response page. Recommend you print a copy of this response page and keep it for your records.

Interested Parties

DITCO Contracting Opportunities includes the capability to join and view a published list of vendors interested in a particular solicitation. This is useful for vendors who are interested in teaming on procurement opportunities.

Registering as an Interested Party

In order to register as an interested vendor for a particular solicitation, the "Register as Interested Party on This Requirement" link must be available from the listing page for a solicitation or a link for the solicitation on the Contracting Opportunities Home page under the heading Interested Parties.
